

Ratings Form Clarifications

Availability

Two points received for 0 - 7 blocked dates

One point received for 8 - 15 blocked dates

Zero points received for more than 15 blocked dates

(The Assigner may deduct one or both availability points for lack of cooperation)

Attendance

Members receive 1 point each for attending the Spring & Fall Business Meeting. Any excused absences must be requested in writing to the Secretary prior to the date of the meeting.

The Annual Fall Conference will be a one day event worth credit for either 3 or 4 clinics. Credit for one or two clinics will also be given for attending regional review sessions other than the Refresher Test Review, plus the December and January clinics will count as one clinic. (Total of 7) Once a member has attended the 5 clinics for their 15 points, then additional clinics would be worth 1/2 point bonus credit for each. There will not be clinic points offered for attending the Prospective Officials Class, these would only count towards a member being in good standing (Requirement of attending three clinics)

Evaluation

Fellow Officials ratings will be worth 15 points. Five points will be deducted from this total for not submitting the Fellow Officials Rating Form. An official must receive 10 Fellow Officials Ratings in order to be eligible for these points. When tabulating the Fellow Officials Ratings a high and low rating will be thrown out.

There will also be a school rating given to officials that will be worth 15 points. Any official not receiving 5 school ratings will have their Fellow Officials Rating count towards their entire 30 points under this area.

Physical / Eye Exam

Physical / eye exams will be required every other year and will be worth 3 pts.

Experience Points

One point for completing 75 high school level games (Frosh, JV, Varsity)

Two points for completing 50 varsity games

Three points for completing 100 varsity games.

An individual could receive one experience point for making the tournament officiating pool within the past three years but their experience bonus points could never be more than three points)

Levels

Level One = Officials with a rating of 86.500 to 97 (Primarily all varsity assignments)

Level Two = Officials with a rating of 82 - 86.499 (Mixture of varsity & sub-varsity assignments)

Level Three = Officials with a rating of 77.500 - 81.999 (Primarily sub-varsity but could work a varsity assignment with a Level One or Two official)

Level Four = Officials with a rating of 71 - 77.499 (Mainly sub-varsity schedule. If needed in emergency for a varsity game, would have to work with a Level One official.)

Level Five = Officials rated 70.999 and below would work primarily middle school games or a few sub-varsity high school games. No varsity games.

(Anyone not passing the written test for three consecutive years would automatically be placed in Level Five)
