

ARTICLE VII – EXAMINATION

SECTION 1 – TRAINING PROGRAM:

The training program will consist of the following:

1. A series of rule interpretation clinics conducted by the Official Interpreter. Each applicant must attend at least three such clinics.
2. A clinic on floor mechanics.
3. The written IAABO test to be given in the Fall as per IAABO and an additional exam is offered in the Spring.
4. If successful on the written test a practical floor test conducted by the Official Interpreter and a committee appointed by the Interpreter.

SECTION 2 – WRITTEN EXAM:

Each active member shall take the same written examination as the applicants take in the Fall.

Any active member not meeting the above requirement will be referred to the Board of Directors for further action.

1. Any active member not receiving a passing score (86%) on the examination must meet with the Official Interpreter prior to working any games.
2. The written examination will be conducted by the Official Interpreter at one site in the Board's territory.
3. The scores on the written examination will be forwarded to the State Basketball Commissioner.
4. Any official who fails the Fall exam must take and pass the Spring exam to be eligible for varsity assignments the following December. January and February varsity assignments will be contingent upon passing the preceding Fall exam.

5. For example:

- a. Fail the test in Fall 2018 and Spring 2019, ineligible for December 2019 varsity assignments.

- b. Fail the test in Fall 2018, Spring 2019 and Fall 2020, ineligible for December 2020, January and February 2021 varsity assignments.

SECTION 3 – MANUAL TEST:

Each active member shall take a written test on the Manual. This test will be given on the same date as the IAABO written test.

Board #111 will provide accommodations as needed for board members during the written and manual test. Board members should notify the Board Interpreter as least a week prior to the test date to insure accommodations are available
